Dear Sir/Madam,

**Re: Approval to undertake Environmental Management required under the
'Donaldson Coal Abel Mine Area 1' Subsidence Management Plan
approval**

In accordance with condition 13 of the Subsidence Management Plan approval dated 26 May 2010, the titleholder is granted approval to conduct the Environmental Management which is the subject of the SMP approval for Area 1, subject to the conditions set out below. These conditions relate specifically to this approval and are in addition to those attached to Mining Lease 1618. A breach of conditions is an offence under the *Mining Act 1992*.

CONDITIONS

General

1. The activity must be carried out generally in accordance with the:
Environmental Management Plan titled: "Donaldson Coal Pty Limited -
Abel Mine - Subsidence Management Plan - Environmental Management
Plan - SMP Area 1 version 2" dated 2 July 2010.

If there is any inconsistency between the above documents, the most recent document prevails to the extent of the inconsistency.

If you have any questions about this approval, please contact Craig Campbell directly on (02) 65718718.

Yours sincerely

Michael McFadyen
